**STATEMENT FROM HANY'S PRESIDENT DANIEL SISTO ON OVERRIDE
OF PRESIDENT BUSH'S MEDICARE LEGISLATION VETO**

ALBANY, N.Y. — “The patients and seniors who rely on Medicare for their health coverage owe a debt of gratitude to Congress—especially the New York Delegation—for having the wisdom to override the President’s reckless veto. New York’s hospitals and health care providers will not and cannot support an action like the President’s veto, which would have diminished the ability of patients to gain access to the care they need.”

The Healthcare Association of New York State (HANY) is the only statewide hospital and continuing care association in New York State, representing more than 550 non-profit and public hospitals, nursing homes, home care agencies, and other health care organizations.
