

2020

The Statewide Voice for New York's
Hospitals & Health Systems

Message from the President

Marie B. Grause, RN, JD
President, HANYS

HANYS is proud to serve as your statewide association. Now in our 95th year, HANYS' mission continues to be "to advance the health of individuals and communities by providing leadership, representation and service to healthcare providers and systems across the entire continuum of care."

In 2020, HANYS will continue to achieve our mission through comprehensive federal and state advocacy agendas, data-informed approaches and engaging our membership in HANYS' events and programming.

HANYS is your partner as we navigate this evolving healthcare landscape together.

Please contact me at (518) 431-7765 or at bgrause@hanys.org to discuss how we can best serve you and your community.

OUR MEMBERS

MORE THAN 19 MILLION NEW YORKERS ARE SERVED BY HANYS' NON-PROFIT AND PUBLIC MEMBER ORGANIZATIONS:

246

hospitals and healthcare systems

82

nursing homes

112

home care agencies, hospices, adult day programs and other continuing care providers

35

other healthcare provider organizations, including clinics, county and regional health collaboratives and associate members

Membership-driven

HANYS values close member partnerships to ensure that our policy agenda and activities reflect the needs of our members. HANYS collaborates and engages with our member executives and staff through committees, task forces, one-on-one member site visits and customized presentations covering a wide variety of health finance, quality, governmental affairs and regulatory priority issues.

Our expert staff, data resources, grassroots advocacy, extensive clinical and operational experience and political acumen enable us to positively influence the outcome of important health policy debates in Albany and Washington. We are constantly working to provide the resources and guidance our members need to lead their organizations.

WHAT WE DO

Leading healthcare advocacy

STATE GOVERNMENTAL AFFAIRS

HANYS' state governmental affairs team leads the strategic development of our state legislative policy agenda in Albany, including advocacy on budget, legislative and regulatory issues. HANYS works with key advocacy partners and coalitions to advance proactive policies that support our members.

FEDERAL GOVERNMENTAL AFFAIRS

With an office based in Washington, D.C., HANYS' federal governmental affairs team advocates to protect hospitals and healthcare systems from reductions and negative policy changes to Medicare and Medicaid, while seeking to enhance and improve federal programs impacting our members. HANYS and our federal advocacy partners, including the American Hospital Association, Association of American Medical Colleges and others, leverage members' grassroots advocacy and strong relationships with New York's congressional delegation to impact public policy debates.

Premier educational programs

HANYS offers high-quality educational programming to healthcare professionals across the continuum of care. Our programs are delivered by industry experts and HANYS staff to help our members succeed in today's era of healthcare transformation.
