

PDSA WORKSHEET

Full facility name: ABC Hospital	Date of test: March-June 2021	Test Completion Date: July 1, 2021
Overall organization/project AIM: To reduce maternal morbidity and mortality by improving the assessment and management of obstetric hemorrhage.		
What is the objective of the test? To improve the team response to hemorrhage by performing regular multidisciplinary hemorrhage drills		

PLAN:

Briefly describe the test: As part of our annual More OB workshops, we will facilitate a multidisciplinary hemorrhage drill with the expectation that 95% of team members will participate in the drill.

How will you know that the change is an improvement? We will improve the team response to obstetric hemorrhage through attendance at this mandatory workshop (and drill)

What driver does the change impact? Interdisciplinary collaboration to respond to obstetric hemorrhage

What do you predict will happen? The team response to obstetric hemorrhage will improve

PLAN

List the tasks necessary to complete this test (what)	Person responsible (who)	When	Where
1. Identification of OB hemorrhage as part of the drill for the OB workshops	Education	May 2021	OB Core Group Meeting
2. Development of the drill	Drill Subgroup	June 2021	Subgroup meetings
3. Implementation of the OB Workshops that included the drills	Unit Manager	June 2021 sessions of the workshops	OB Staff Lounge

Plan for collection of data:

- Attendance sheets for the workshops will be reviewed

DO: Test the changes.

Was the cycle carried out as planned? Yes No
Record data and observations.

What did you observe that was not part of our plan?

STUDY:

Did the results match your predictions? Yes No

Compare the result of your test to your previous performance:

What did you learn?

ACT: Decide to Abandon, Adapt, Adopt

Abandon: Discard this change idea and try a different one.

Adapt: Improve the change and continue testing plan. Describe what you will change in your next PDSA:

Adopt: Select changes to implement on a larger scale and develop an implementation plan and plan for sustainability

If you plan to adopt, what plans do you have for your next 2 - 3 PDSA cycles for follow-up tests and implementation:
