

## Economic and Community Benefits

**Economic activity****\$2,029,000,000**

The economic activity generated by hospitals through jobs and the purchase of goods and services makes up 10.3% of the state's entire gross domestic product.<sup>[1]</sup>

**Jobs generated****8,400**

Hospitals and health systems are often the largest employers in communities, generate many more jobs and are top 10 private sector employers in every region of New York.<sup>[2]</sup>

**Tax dollars generated****\$354,000,000**

New York hospitals generate significant tax dollars and stimulate the economies of local communities and the whole state.<sup>[3]</sup>

**Payroll expenditures****\$566,000,000**

New York hospitals' #1 investment is in their people, including direct salary and benefits to their employees.<sup>[4]</sup>

**Community benefits and investments****\$312,000,000**

Adhering to their charitable mission, hospitals cover the cost of care provided to people in need; subsidize care and services to low-income, elderly and under-served communities; and continuously invest in many community health initiatives.<sup>[5]</sup>

## Patients Served

**Outpatients provided care****1,000,000****People treated in the emergency room****96,000****People admitted to hospitals****21,000**

Hospitals serve patients in their communities 24/7, 365 days a year.<sup>[4]</sup>

**Patients covered by Medicare and Medicaid**

In this district, Medicare and Medicaid patients make up:

- **82%** of all people admitted to hospitals
- **78%** of all outpatients provided care

**61%** of hospital patient service revenue in this district comes from Medicare and Medicaid. This is a result of the large volume of services being reimbursed by Medicare and Medicaid, which do not cover the cost of care, driving significant underpayment from these public insurance programs.<sup>[4]</sup>
