

PARTICIPATION PLEDGE

The Healthcare Association of New York State Commitment to Excellence™ is an initiative designed to showcase your organization's significant and ongoing commitment to quality and patient safety. By pledging to join C2X™, you are reinforcing your organization's dedication to achieving and maintaining these goals. HANYS will support participating C2X organizations by providing educational programs, information on best practices and technical support programs to assist your organization in the achievement of excellence.

When you sign the C2X pledge, your organization agrees to:

- have an annual quality improvement plan with board and/or senior leadership oversight;
- actively use evidence-based best practices for quality and patient safety;
- routinely analyze data and outcomes to inform performance;
- submit at least one success story to HANYS for public distribution;
- participate in at least two HANYS education programs per year (see examples on page 3); and
- have your organization's name published on HANYS' website as a C2X participant.

In recognition of your participation in C2X, your organization will receive:

- access to free and/or discounted educational programming, coaching and technical assistance for quality continuous improvement;
- a medallion for your organization's website;
- an acknowledgement that can be displayed at your organization identifying your ongoing commitment to excellence in quality of care; and
- recognition on HANYS' website, social media and other communication vehicles.

SUBMIT YOUR COMPLETED PLEDGE to quality@hanys.org or mail to Christina Miller-Foster, senior director, Quality Advocacy, Research, and Innovation, HANYS, One Empire Drive, Rensselaer, NY 12144
